COUNCIL UPDATE

Due to the outbreak of COVID-19, the Council's last meeting was held via teleconference. We had a robust conversation about the virus and voted unanimously to strengthen the City's emergency response and direct the public to follow guidelines issued by public health officials.

Note: These will be lifted when Governor Holcomb declares an end to the state public health emergency.

A full rundown of our last meeting can be found here: https://www.cityofnoblesville.org/egov/apps/document/center.egov?view=item;id=8469.

NOBLESVILLE SMALL BUSINESS GRANTS

Earlier this month, the Mayor and his team partnered with the Noblesville Chamber of Commerce and representatives from the City Council to create a grant helping small businesses with unmet immediate needs such as payroll, rent and utilities, and other expenses to remain operational and serve customers and clients.

Here's what you need to know:

- These grants were based on demonstrated need and provided up to $10,000 per small business impacted by the COVID-19 pandemic.
- A full list of recipients can be found here: https://www.cityofnoblesville.org/egov/apps/document/center.egov?view=item;id=8486
- The eligibility requirements used for consideration can be found here: https://www.cityofnoblesville.org/topic/index.php?structureid=19&topicid=524
- These payments will be disseminated no later than Friday, April 17, 2020.
- If funding allows, additional grants may be processed and awarded on an as-needed basis.

I will vote in favor of funding this program tonight.

NOMINATE A HERO

Do you know a Noblesville High School graduate that is on the frontline working during this pandemic? The Noblesville Schools Education Foundation would love to highlight the alumni out there serving as healthcare workers, first responders, grocery store workers, teachers (rocking the eLearning lesson plans!) and many other essential professions.
